STUDENT DECLARATION

Course: SWE 3409 — Mobile Application Development
Assignment: Assignment 2 — My Name Is Personal Portfolio App
Project: HyrenePortfolio
Student Name: Nsabimana Irene
Registration Number: 25/27790
Institution: INES-Ruhengeri

Declaration of Originality and Responsibility

I, Nsabimana Irene, declare that I have reviewed the HyrenePortfolio application and its accompanying assignment documentation. I accept responsibility for the work submitted under my name and for ensuring that the information and evidence provided accurately represent my work.

Acknowledgement of AI Assistance

I acknowledge the use of AI assistance during aspects of project planning, programming guidance, troubleshooting, and preparation of supporting documentation. I am responsible for reviewing and understanding the submitted work and ensuring that this acknowledgement complies with the course requirements. Further details are provided in `AI_USE.md`.

Testing and Submission

I confirm that the test results and evidence submitted with this assignment should accurately reflect the checks I performed on the application. I have reviewed this declaration and will correct any inaccurate statement before signing it.
